ORDER

Before the court is Plaintiffs' motion to supplement the administrative record and for judicial notice of certain documents. Said motion contains references in numbered paragraphs to no less than 61 different documents. However, Plaintiffs' brief in support of their motion does not provide references to the paragraph numbers contained in the motion. The court will not weed through the brief trying to match up the lettered paragraphs with the numbered paragraphs. Accordingly, **IT IS HEREBY ORDERED** that:

(1) On or before February 20, 2002, Plaintiffs shall resubmit their brief in support of the motion to supplement the administrative record and for judicial notice of certain documents;

(2) Said brief shall contain specific paragraph references to the corresponding motion so that the documents are easily identifiable by the court in reading both the motion and the brief.

United States District Judge
